2006 SURROUND CABERNET SAUVIGNON

(4,4,2,2) \$19.99

Surround is produced by Stone Edge Farm and all the grapes used are certified organic. This is a blend of 76% cabernet sauvignon and 24% merlot and has attractive aromas of cassis with a hint of cedar and toffee. It is flavorful, complex, rich and full bodied with a velvety supple texture and lingering finish.

2008 MON TROIS 'SAN LUCIA' PINOT NOIR

(2,4,1,1) \$17.99

This is a fabulous Pinot Noir that could easily sell at twice the price! It has a striking label with incredibly impressive fruit and complexity at a great price. It has appealing berry/cherry fruit in the nose with flavors that match. The delightful, flavorful mouth is silky and round with an excellent finish. In these days of over priced Pinots, this is a fantastic find.

WHAT DOES (3,4,2,4) MEAN?

At Rolf's we taste and code nearly every wine we put in this guide (and in the store for that matter) so you can have a good idea of what to expect in each bottle you buy. Characteristics like body, fruit, oak, acidity, and tannin are coded on a scale of 0 to 5. Definitions for the characteristics and the scale's numbers are as follows:

CODED CHARACTERISTICS

BODY.....The weight and feel of the wine in your mouth.
FRUITThe distinct aroma and flavor of fruit.
OAKLends flavors (mocha, toast, cedar, and vanilla)
and complexity to the wine.
ACID.....The backbone of White Wine
TANNIN.....The backbone of Red Wine

CODE NUMBERS

0.....None
1.....Low
2.....Medium Low
3.....Medium
4.....Medium High
5.....High

The coding for each wine refers to its characteristics in this order: Body, Fruit, Oak, and Acidity (Whites) or Tannin (Reds). A white wine with a code of (3,4,2,4), for example, is Medium Bodied with Medium High Fruit, Medium Low Oak, and Medium High Acidity.
